Milton Keynes and Beyond

GEOGRAPHY
Year 1

Focus Question: How is Milton Keynes like and unlike other places in the UK?

Key Vocabulary

Country	a nation with its own name
City	a large settlement
Village	a smaller settlement
Rural	in the countryside
Urban	in a town or city
Compare	find what is similar or different
Physical	natural, not built by people

Key Learning

- The UK has four countries: England, Scotland, Wales and Northern Ireland.
- Milton Keynes is a city in England.
- Human features include roads, homes and shops.
- Physical features include rivers, hills and woodland.
- Urban places are towns and cities; rural places are in the countryside.

Geography in Action

The UK
Four countries make one United Kingdom.

Milton Keynes
A city with many built features.

The Cotswolds
Countryside with villages and farmland.

Remember and Try

- Find Milton Keynes on a UK map.
- Identify human and physical features.
- Compare Milton Keynes with the Cotswolds.

End Point

I can locate Milton Keynes, recognise human and physical features and compare urban and rural places.
