Year 1 – Autumn 1
Where Do I Live?

GEOGRAPHY
Year 1

Focus Question: Where do I live, and what is around me?

Key Vocabulary

Address	details that show where a place is
Map	a drawing showing where places are
Aerial view	looking at a place from above
Landmark	a feature that helps us recognise a place
Human feature	something made by people
Physical feature	a natural part of a place
Compass	a tool showing directions

Key Learning

- Our school is in Milton Keynes, a city in England.
- An address tells us where a place is.
- A map shows places from above and uses a key.
- Human features are made by people; physical features are natural.
- I can use NSEW and simple words to describe places.

Geography in Action

My school

Christ the Sower is our local place.

My local area

Grange Farm has places we can find.

My city

Milton Keynes is in England.

Remember and Try

- Find our school and local landmarks on a map.
- Use a compass to describe a short route.
- Observe and record the weather.

End Point

I can say where I live, recognise local features and use simple maps, directions and weather symbols.
