We can offer NQT's and teachers developing the early stages of their careers, amazing children, engaged parents, NQT support and career development. We are committed to supporting you in our modern well equipped school in developing your career and ambition. We are part of the ODBST MAT which is a new and growing academy trust that puts its faith into and recognises the uniqueness of all its individual schools.

As a school, we are enjoying a journey to good and beyond and recognise the fantastic contributions NQT's and early career stage teachers can bring to that journey.

So if you enjoy a challenge, are creative and fun, please get in touch to discuss your career opportunities here with us. Visits to the school are encouraged.
