

**Wednesday 24.06.20**

**Year 4**

## **English**

Today is National Writing Day! This is a day to celebrate every kind of writing we have; from poems to plays, from articles to adventure stories, from instructions to inscriptions, from captions to calligrams and everything in between. BBC Bitesize page is offering some great activities to celebrate so today's lesson will link to their lesson. The [link is here](#) and also on the school website.

If you want any more activities or you want to find out more about National Writing Day, follow the link for some great ideas. There is a writer inside all of us, you just need to find the way to unlock it!

<https://literacytrust.org.uk/about-us/national-writing-day-24-june-2020/#:~:text=National%20Writing%20Day%202020%20is,for%20fun%20and%20self%2Dexpression.>

## **Maths**

We are continuing to use the White Rose videos and resources to support your learning this week. Remember, there is a slight change to how this works. The video is available on the [White Rose website](#) but the worksheet will have to be downloaded from the school website. There are also additional resources available from the [BBC Bitesize website](#) that will match the learning.

Make sure to watch the video first then have a go at activity.

Today's lesson is

Summer Term - Week 9 - Lesson 3 – Estimating Money

## **RE**

We are continuing our learning about Islam today. We will be doing this through the National Academy website. It offers a detailed video lesson that is run by teachers. Start off by taking the quiz and then watch the video. Sometimes you may be asked to do a small activity within the video so make sure you have a pen or pencil and some paper handy.

Today's lesson is Lesson 3 – What are the 5 Pillars of Islam?
