

**Friday 26.06.20**

**Year 4**

## **English**

Today's English is all about uplevelling sentences. When we uplevel sentences we improve them by adding different grammatical tools. The task is all about uplevelling sentences about a long and lonely road. Use the 'Grammar Glossary' so you know which tools to use. When you have improved the sentences, write a short story in your book about a character driving down the lonely road.

## **Maths**

We are continuing to use the White Rose videos and resources to support your learning this week. The Friday challenge will continue to cover a range of areas of maths. Download it from the [White Rose website](#). As with the previous challenges, there are certain questions that are most suited to year 4, but you can always have a go at the others if you want to test yourself.

## **DT**

Over the next few weeks for DT, we are going to ask you to do some savoury cooking. Write a definition of what 'savoury food' means. We also need to learn about how different ingredients are available at different times of the year. This is known as seasonality. Look through the 'Seasonality' powerpoint and create your own food calendar by researching when some ingredients are available throughout the year.
