

Friday 03.07.20

Year 4

English

Today's English lesson is a reading comprehension activity based on a Guinness World Record. Read the information, article or story and answer the questions about it in your books. Remember to use full sentences to record your answers. At the end of the questions there is a 'Beyond the Record' challenge. This is optional so please don't feel you need to do it, however if you are interested in finding out more then these challenges are a great way of extending your learning. Today's comprehension activity is about the record for sword swallowing. **DO NOT TRY THIS AT HOME!!!!**

Maths

We are continuing to use the White Rose videos and resources to support your learning this week. The Friday challenge will continue to cover a range of areas of maths. Download it from the [White Rose website](#). As with the previous challenges, there are certain questions that are most suited to year 4, but you can always have a go at the others if you want to test yourself.

DT

This week we want you to design your favourite savoury dish. Write the recipe out clearly using clear, numbered steps. Then find out where the ingredients for your dish come from in the world and how much it would cost to make your favourite dish. Look carefully at the food hygiene information and talk to adults at home about how your ingredients will be stored and why. Finally, at some point over the next week (before next Friday) work with an adult to cook your favourite savoury dish for dinner. Take some photos and talk to your family about what they enjoy about it.
