**Year 4**

## **English**

This week's English is from the BBC Bitesize page. The [link is here](#) and also on the school website. Today's lesson focuses on creating a comic book. Work through the page starting with the video(s) then moving to the activities. As before, you can print off any sheets and work on them or you can write straight into your book.

## **Maths**

We are continuing to use the White Rose videos and resources to support your learning this week. Remember, there is a slight change to how this works. The video is available on the [White Rose website](#) but the worksheet will have to be downloaded from the school website. There are also additional resources available from the [BBC Bitesize website](#) that will match the learning.

Make sure to watch the video first then have a go at activity.

Today's lesson is

Summer Term - Week 12 - Lesson 4 – Draw on a grid

## **Project – Memory Lane**

Today we want you to start looking to the future. By now, you should know who your teacher will be next year. This is your chance to show them who you are.

Create a profile of yourself that you can give to your new teacher.

Include:

- ❖ Who you are
- ❖ Things you enjoy or hobbies you have
- ❖ What makes you special
- ❖ What are your strengths and what do you want to get better at
- ❖ What are you looking forward to about Year 5
- ❖ How can they help you settle back at school

You can present this however you like, ready for your new teacher in September.
