

Newsletter

Dear Parents and Carers,

I hope you were pleased to receive your children's end of year school reports and the opportunity to meet their teachers face to face. Having read most of the reports I was delighted to read how well the children have done throughout a very difficult year for us all.

We are currently holding out well, as a large number of our surrounding schools are having to close bubbles and send children home. We are working really hard to keep the environment as COVID secure as possible as we don't want any bubble to have to go home and miss the end of term. We also don't want any families or staff to have to start the summer holidays in isolation. We will therefore continue with our precautions right up until the end of term.

Next week is the end of term and the children will start bringing some of their work and belongings home. From Monday could you please send your child to school with an extra bag so they can start packing up. All PE kits will be sent home by Wednesday and they will be bringing their school books and some art work etc. with them.

If you still have any library books at home could you please ensure they are sent in to school on Monday 19th July. We are missing a large number of books and we do need to replace them as they belong to the library service and not our school.

We have an extremely large pile of lost property in the school at the moment. From Monday, weather permitting, we will put some of it out every day just inside the front school gate. We'll leave it there all day so you can pop in, socially distanced, to collect any of your children's belongings.

At the moment it is looking like we are going to have some very warm weather next week. Please remember to apply sunscreen before the children arrive at school as we are unable to apply it for you. It might also be best to avoid bringing in jumpers and sweatshirts so that we don't keep adding to the lost property pile.

Enjoy the sunny weekend

Yours sincerely,

Lorraine Quirk

16th July 2021

DATES FOR YOUR DIARY

Yr6 Production

Monday 19th July

Last Day of Summer Term

Thursday 22nd July

First Day of Autumn Term

Monday 6th September

Golden Book

We are very proud of all our children for the hard work they do in school. A special well done to the following children for being Golden Book winners this week!

Well done to all of you!

Year group

Are you prepared to boldly go where no one has gone before?

Then this year's Holiday Club promises to be the place for you.!

You are invited to become an Astronaut-in-training and make some amazing discoveries about God as we hear how God worked through Daniel and his friends.

Even though we are online, we will still have some of the elements you enjoy. There will be games, stories, discussion and each day you will be set a creative challenge. We know how much you enjoy the daily soap and so we will once again bring you an exciting installment of 'The Final Frontier' where Captain Kim and their crew try to complete their mission, but will they succeed!

We will meet via zoom daily between 10am and 11am (2-6 August) or you can join in via our website if you prefer any-time. The zoom link will be emailed out to you upon registration. There will be times when we breakout into small groups but mostly we'll all be together.

We will be holding a Partnership Service on Sunday 8 August at 10am online where we will be celebrating all that has been happening at Holiday Club with family and friends. Do please join us if you can.

Can't make the live sessions? No problem!

You will still be able to join in all the fun of Holiday Club by watching our videos when you are free. You can even share your pictures, jokes and videos with us so that we can include them in our Shout Outs! These will happen at various points through the week with one final shout out in early September. Just check back here from time to time. When there's an update we will share it on all our social media platforms.

What do I need to do now?

To book your place or if you would like to receive one of our fantastic resource pack please complete the registration form by [clicking here](#) and we'll get one to you.
