

3 February 2023

Dear parents and carers

Thank you so much, for your support this week in regards to the strike action. We really do appreciate your patience and understanding while we organised the final plans and details.

We have had such a busy week in school, with lots of exciting learning taking place. Our children are hardworking and eager to achieve their potential and it has been so lovely to see so many of them coming to me for headteacher awards recently. I have added a small gallery below, of pupils who have been sent to me with great work this week. We are all so proud of every single one of them.

As we approach half term, please can I remind you to encourage your child to read at least 3 times a week as this will really make a huge difference to their attainment and progress in all areas of the curriculum.

Thank you for your continued support, it is greatly appreciated

Kind regards

Mel Nugent
