

28 April 2023

Well done to all the children in the Golden Book this week and a huge thank you to the parents who came along to celebrate their children with us today in assembly.

On Monday we had a visit from Toby Long who is our Diocesan Advisor. He was in school to look at how we organise Collective Worship. He held meetings with me and Mrs Edwards (our school RE leader.) He also observed collective worship, reviewed our policies, and spoke to children from Key stages one and two.

He had a lot of positive things to say about our school and he was particularly impressed by our children – they spoke so eloquently about collective worship and their knowledge of Christianity and other World Views. He has suggested that one area that we can improve on, is to set up a collective worship pupil committee so that they can support with the organisation of worship, including helping with the opening and closing prayers. Mrs Edwards is going to lead on this exciting initiative next year.

Unfortunately, our PTA have had to cancel the upcoming Quiz night, as we have sold no tickets. They are planning to reorganise the event for later in the term, so please look out for the flyers and come along to support us if you can. Our PTA committee would also gladly welcome new members. We do have a few wonderful parents who have made a regular commitment to the cause – which is fantastic – but last night, as some parents were unable to attend, we only had one parent at the meeting. We really want to raise funds to make a difference to all our children’s school experience – and a minibus would enhance our curriculum, sport, music and enrichment offer beyond measure. Please do offer to help if you are able to, no commitment is too small!

I hope you all have a lovely bank holiday weekend and see you all on Tuesday 2 May.

Warmest regards

Mel Nugent

Chess club had a very exciting finale to its' school tournament as a close battle commenced for first place between four contestants. It came down to two, and Sarayu emerged as the new Christ the Sower chess champion, with Zeal a close runner up! Congratulations to all the children who took part, for their sports-manship and skill . Those who chose not to take part in the tournament enjoyed continuing to play against children of their choosing, developing their social and thinking skills amongst other skills. Some children also did a presentation for the chess assembly, showing how chess is for everybody and impacts on all aspects of life. Chess was taken to the playground at lunchtime- with Mr Froud and Mrs Shamuyarira taking on the winner and runner up , and the chess champion continuing her winning streak against Mrs Shamuyarira! Other children enjoyed playing their friends or watching the battle commence! For any child who can play chess, there is a further opportunity to take part in a regional chess tournament between four nations! The biggest chess tournament in the UK, the Delancey Chess tournament. If your child is interested, please email the office, for the attention of Mrs Shamuyarira, to ask for further details.

We were delighted to welcome Mrs Feil back to CtS to lead assembly this week. She told us about her work with MAF in South Sudan, bringing help, healing and hope and she inspired us to help one another. We even had our own paper aeroplane challenge!

A large blue thought bubble with a white border contains the text: "How might you carry help and hope to others this week?". The words "help" and "hope" are in red, while the rest is in white. The background of the slide shows a red and white propeller plane on a dirt airfield with mountains in the distance. A smaller blue thought bubble is also visible in the background.

How might you carry help and hope to others this week?

The logo for "Christ THE Sower" features a yellow sun behind a purple wheat stalk. The text "Christ" is in a large, purple, serif font, "THE" is in a smaller, purple, sans-serif font, and "Sower" is in a large, purple, serif font.
