Dear parents and carers

We have had a hugely successful but very busy week in school. On Tuesday and Wednesday, we had a two-day 'Categorisation' inspection from the ODBST. This involved the Director of Education (Jan Martin) and the Chief Executive Officer (Sulina Piesse) visiting the school for the whole two days in order to undertake lesson walks, book inspections and conversations with senior leaders, teachers, support staff and children. At the same time, our Governing Body was also having an 'Effectiveness' review to determine how well they support and challenge the school leadership.

The inspection team were incredibly impressed by the progress that our school has made, and have said that we are firmly good and outstanding in some areas linked to behaviour and personal development (which includes our curriculum enrichment, music and sport)

A huge well done and thank you to the whole team for their passion, dedication and hard work this year, but particularly this week - I could not be more proud of every single one of them! #TeamCtS

Warmest regards
