

Monday 23rs March 2020

Dear Parents/Carers,

I hope you and your families are all well and have had a successful first day at home-school with your children. New work will be set each day to support you in working with your children.

Over the weekend there was a lot of talk, on the news, about trying to create and sticking to a routine to help everyone that is self-isolating and managing their children at home for this prolonged period of time. With this in mind we have created a timetable that you may wish to use to support your daily planning. It is of course completely optional and just a suggestion if it can be of help.

9am – 9:30am	Keep fit with Jo Wicks
9:30am – 9:45am	Daily assembly in school and via video link for those at home
9:45am – 10:45am	School work
10:45am – 11:05am	Playtime – playground/gardens/computers/bedrooms etc
11:05am – 12 noon	School work
12 noon – 1pm	Lunchtime and playtime - playground/gardens/computers/bedrooms etc
1pm – 3pm	Adult led activities See separate structure below
3pm – 3:15pm	Story time in school and via video link for those at home

Week One afternoon activities

Monday 23rd March: Free flow

Tuesday 24th March: Rainbow paintings

Wednesday 25th March: PE obstacle courses outside or in the house

Thursday 26th March: Music and singing

Friday 27th March: Cooking smiley face biscuits

Week Two afternoon activities

Monday 30th March: Yoga & messages to support others

Tuesday 31st March: Lego building or construction and junk modelling at home

Wednesday 1st April: Easter cards

Thursday 2nd April: Circus skills

Friday 3rd April: Film club

We will be following this timetable in school. The assemblies and story time can be found on the website in the children tab.

If you need inspiration for tomorrow's rainbow paintings there are plenty of examples on line. They do not have to be painted, they could be coloured in, collages, coloured pasta etc. Just let their – and your – imaginations have some fun. We will be displaying our rainbow pictures at school and the children will bring home smaller versions to put up in their windows.

Yours sincerely,

Lorraine Quirk
