

We come to the end of another busy week at CTS; although it has been wet and windy, with the occasional playtime indoors, the children and staff have continued to work hard. There has been a phenomenal buzz around school this week as we celebrate Children's Mental Health week. Thanks to Miss Jacob's expertise with planning, the children have engaged in an array of activities alongside their weekly timetable to support their mental health. I would like to say a huge thank you to you for helping your child bring in the different items each day to support their conversations. We end the week with staff and children wearing their favourite clothes and sharing their favourite stories- a perfect end to a busy week!

Our Year 6 children travelled back in time as part of their history unit with a visit to Holdenby House. They got to experience what life was like as a Victorian child; polishing boots, preparing vegetables, washing with a mangle and beating the carpets!

Mrs Palfreyman led us in a whole school assembly as part of Safer Internet Day on which was held on Tuesday; your children are very knowledgeable on this subject and we continue to work with you to keep them safe whilst online. As part of this, Mrs Robertson and Mrs Summerfield will be holding a Coffee Afternoon (2.45pm-3.25pm) where they will share the latest updates on online safety. They have cakes and biscuits!

As part of our ongoing monitoring, we had our LGB (local governing board) meeting this week and our governors were very complimentary with the work our staff and children are doing across the year groups.

Thank you for your ongoing support in ensuring your child is in school on time, completing their reading and home learning- it makes a difference.

Please see our school Facebook page for photos from the week.

Have a lovely weekend,

Saeeda Wilson-Andoh Deputy Headteacher

## Keeping Your Child Safe Online

What is cyberbullying?

I need help to set up  
parent controls on my  
child's devices.

How old should my  
child be to go on  
TikTok?

Is it okay for my child to  
be playing Roblox?

Hope to see you there!

Dear Resident,

Works will be taking place between 0800 19/02/2024 – 1800 26/02/2024 to install ducting within the carriageway and footway outside the Primary School Singleton Drive. Part of this work requires us to close Singleton Drive as per the drawing below. We apologise for any inconvenience this may cause. We ask during this time if you could find alternative places to park and use the allocated diversion route to enable us to complete this work within the timescale and minimize disruption within the area.

We apologise for any disruption caused and thank you for your cooperation.
