A Loving Place, Where we CARE, Learn and Grow Together`

It has been a very productive week in school, with so much happening in classrooms. I hope that you have enjoyed seeing what the children have been getting up to in their lessons on our Facebook and Twitter accounts.

You should by now have received the Curriculum News for your child/ren's classes. If you haven't you can find a copy on the class pages on the website. This is sent out to you three times a year to let you know what your child will be learning about in the coming term.

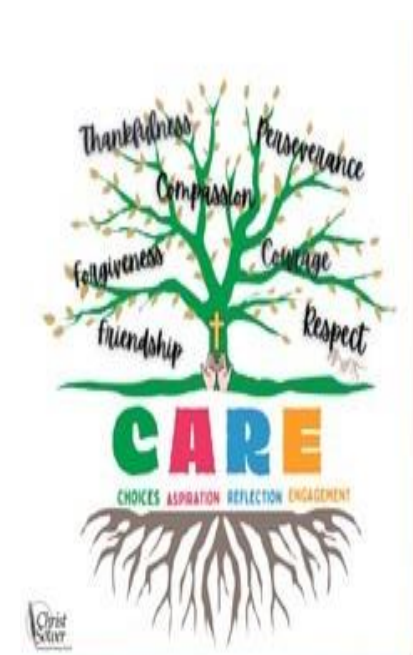

Next week is KS2 SATs week. This means our Y6 children will be taking tests on Monday through to Thursday. Please make sure that your Year 6 child gets a good night sleep and breakfast before coming to school. The Year 6 team are organising SATS breakfasts each morning, to give children the chance to come into school a bit earlier and have a social, calm start to the day.

We are looking forward to some warmer weather over the coming weeks and this is the time the children tend to lose jumpers etc. Please make sure all the children's uniforms are clearly marked and check the lost property box regularly if they have lost something. Please also ensure that the length of skirts needs to be knee length. The table outside the main entrance is currently full of unlabelled uniform, including jumpers, cardigans, coats and PE kit.

Have a lovely, sunny weekend!

Join Mandy and Alison for Coffee and a Chat

Tuesday 21st May @ 2.45pm

ANXIETY AND EMOTIONALLY BASED SCHOOL AVOIDANCE (EBSA)

How to support your child when they are anxious about school.

A short presentation followed by an opportunity to ask questions and find out where to access additional information and support.

Book a place via the school office (it is not necessary to book but it is helpful to have an idea of numbers.)

Our School Rewards

The Golden Book

We are very proud of all our children at CtS, a special well done to those that received Golden Book certificates this week!

This Week's KS2 Winners	
 Mustard	Daniella
 Rosehip	Jeevan

Please send or bring into school before Monday 20th May.

Following last year's success, we will once again be holding our **WORLD WEEK** in the last week of this half term (W/C 20th May.) This will be a week when we will be celebrating and exploring the wonderful cultural diversity of Christ the Sower.

I am setting a special homework challenge, for families to complete together - to tell us all about your family history and your journey to Milton Keynes.

Please focus on the following questions.

- Where did your family originate from? e.g. A different part of Buckinghamshire, the United Kingdom, a different country/continent.
- When did your family first move to Milton Keynes and why?

**What is the oldest photo you have of a member of your family?
When does it date back to?**

- Who is in the picture?
- Where was the picture taken?
- If you can find one, please bring it in or a copy.
- Do you have any other photos of special items or memories linked to your family history, culture, or heritage?

I will be creating a whole school display to showcase all of the homework.

You can type or handwrite, make a poster or PowerPoint etc. It can be **really simple or really creative** – it is totally up to you! **I will give a reward to the class that has the most completed homework entries.**

You can send your family homework directly to me (along with any photos) via email at: mnugent@cts.odbst.org or bring it into school. Please ask your child to bring it to my office.

I will copy any hard-copy photos I receive and send the originals back to you.

If you have any questions, please just email me or give me a call. Thank you for your continued support
