A Loving Place, Where we **CARE**, Learn and Grow Together`

A reminder about the World Week homework, that I have set for all children to complete. I have added a copy of the homework sheet below. I want to know about everyone's journey to Milton Keynes and CTS – so please be sure to complete the task. It does not need to be overly complex, you can handwrite or type the work, and photos would be great but they are not essential.

I will start my whole school display from this week, as the work starts to come in – please be sure to come and take a look during world week, to see all of our shared journeys on display.

World week is taking place in the week commencing 20th May. Just like last year, each class has chosen a country to explore (based on the children in their class) The class will learn all about that culture throughout the week. You are warmly invited to come into school from 3pm on Friday 25th May, to see the class displays in the hall. Last year we were overwhelmed by the response from parents and as always, we are very grateful for your engagement and support.

We will also have an afternoon, **celebrating cultural dress, on Friday 25th May**. Students are encouraged to bring in a change of clothing to reflect their own home culture/s or clothes in the colours of their cultural flag. They will be able to change into these clothes in the afternoon, after the class and team photo session in the morning.

Please send or bring into school before Monday 20th May.

Following last year's success, we will once again be holding our **WORLD WEEK** in the last week of this half term (W/C 20th May.) This will be a week when we will be celebrating and exploring the wonderful cultural diversity of Christ the Sower.

I am setting a special homework challenge, for families to complete together - to tell us all about your family history and your journey to Milton Keynes.

Please focus on the following questions.

- Where did your family originate from? e.g. A different part of Buckinghamshire, the United Kingdom, a different country/continent.
- When did your family first move to Milton Keynes and why?

What is the oldest photo you have of a member of your family? When does it date back to?

- Who is in the picture?
- Where was the picture taken?
- If you can find one, please bring it in or a copy.
- Do you have any other photos of special items or memories linked to your family history, culture, or heritage?

I will be creating a whole school display to showcase all of the homework.

You can type or handwrite, make a poster or PowerPoint etc. It can be **really simple or really creative** – it is totally up to you! **I will give a reward to the class that has the most completed homework entries.**

You can send your family homework directly to me (along with any photos) via email at: mnugent@cts.odbst.org or bring it into school. Please ask your child to bring it to my office.

I will copy any hard-copy photos I receive and send the originals back to you.

If you have any questions, please just email me or give me a call. Thank you for your continued support
