A Loving Place, Where we CARE, Learn and Grow Together`

A huge well done to Year 6, their teachers and to the whole of #teamCTS, for the huge success of SATS this week. From the SATS breakfast each morning, to the children's whole approach to the tests, and the careful way that the children's individual needs were met with great CARE, by everyone in school. I can say with certainty that we have all absolutely done our best! No one could have given more, to ensure that our children were able to show what they can do. Now, we wait until July for the results!

Thank you so much for the fantastic World Week homework, that has literally been pouring in. It has been wonderful to discover just how many inspiring stories we have amongst us. We have all travelled to Milton Keynes, and CTS in many different and unique ways. I have started to put together the display, which will be finished in time for the showcase on Friday.

Next week is world week and just like last year, each class has chosen a country to explore. The children will be learning all about the culture of that country throughout the week. You are warmly invited to come into school from 3pm next Friday to see the class displays in the hall.

Don't forget that we have an afternoon, **celebrating cultural dress, on Friday 25th May**. Children are encouraged to bring in a change of clothing to reflect their own home culture/s, personal identity or clothes in the colours of their cultural flag. They will be able to change into these clothes in the afternoon, after the class photos have been taken in the morning.
