

Welcome to Foundation stage at Christ the Sower School. It has been a wonderful week getting to know your children and seeing lots of happy faces at the gates. The children have come into school looking very smart and most children have remembered their P.E uniform on a Thursday! The children in Poppy class are settling well into their new learning environment and are becoming familiar with the daily routines. The Early Years team is Miss Jacobs, Mrs Sandhu, Mrs Edwards, Mrs Robinson, Mrs Morris and Mrs Parry.

This term, our topic are **'All about me! And Celebrations'** where we will learn lots about the children and their families as well as, focusing on the seasonal changes in our environment as we approach Autumn. To do this effectively, we hope to get out in the community for local walks for them to compare what they see over the next year. Additionally, the children will be creating self and family portraits and linking their learning to ourselves. We are all looking forward to an exciting first term and I am sure this is the start of a fantastic year for the children. I always describe Foundation as 'Magic' and I cant wait for you all to feel that over the year.

To provide a strong start we have begun Phonics lessons following our scheme 'Read Write Inc.' (RWI) and will send home QR codes to practise. Please support us by watching the videos with your child daily as this will help them immensely on their journey through the phonics programme. In addition, to this it is always great for children to listen to stories so please do read bedtime stories to your children regularly.

If you have any questions or would like to discuss anything please feel free to approach one of the adults on the gate and they will happy to help.

Miss Jacobs  
Mrs Sandhu  
Mrs Parry / Mrs Morris / Mrs Robinson

**EYFS Lead / Teacher**  
**Teacher**  
**Teaching Assistants**

**Communication, Language and Literacy:**

- Understand how to listen carefully and why listening is important.
- Learn new vocabulary.
- Engage in story times by listening carefully, retaining what has been heard and recalling key points.
- Listen carefully to rhymes and songs, paying attention to how they sound.
- Engage in non-fiction books.
- Contributes relevant comments in discussion.

**REMINDER:** Look weekly at our school social media page to see what we have been learning!

**Mathematics:**

- Getting to know you
- Match, sort and compare
- It's me 1,2,3
