

'A loving place where we all care, learn and grow together'

**Welcome
Back**

The Summer Break

Were you looking forward to coming back to school?

Why?

Why not?

New Beginnings

Can you make this year even better?

TODAY
is a fresh
START

START

Have you made any resolutions for the new school year?

Let's look in our school bag.

Let's look in our school bag.

The future of your school year is unwritten. It is up to you, what your learning journey looks like. What will it be?

Every page, like every day is fresh and clean and ready for a new beginning.

You have a hunger for learning and an appetite for success.

What are your aspirations for this year?

The most important thing you can bring to school, is a positive attitude.

Positivity will give you courage, resilience and determination.

A positive attitude makes it easier to CARE:

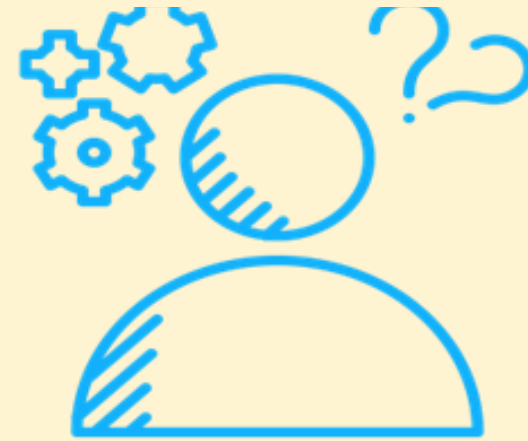

Choices

To make Good choices

Aspiration

To Aspire highly and have high expectations of yourself

Reflection

To reflect on your learning, your behaviour and on the things that have happened.

Engagement

To engage fully with your learning and with everyone in school. To be excited to try out new experiences.

Everyone: Adults and children, live, learn and love through CARE

Small's
**BIG
DREAM**

Small saw that, no matter how *small* you might feel,
anyone can have **BIG** dreams and with the smallest
bit of courage you can make them come **TRUE**.
