

# The Golden Glue of Spirituality

# WHY ARE WE HERE?

**In the quiet, remember we are all here to spend time together with God.**

**Today... we are going to think about how we can talk about spirituality, which is often difficult, because we are talking about something which is beyond words.**

# THE KINTSUGI STORY

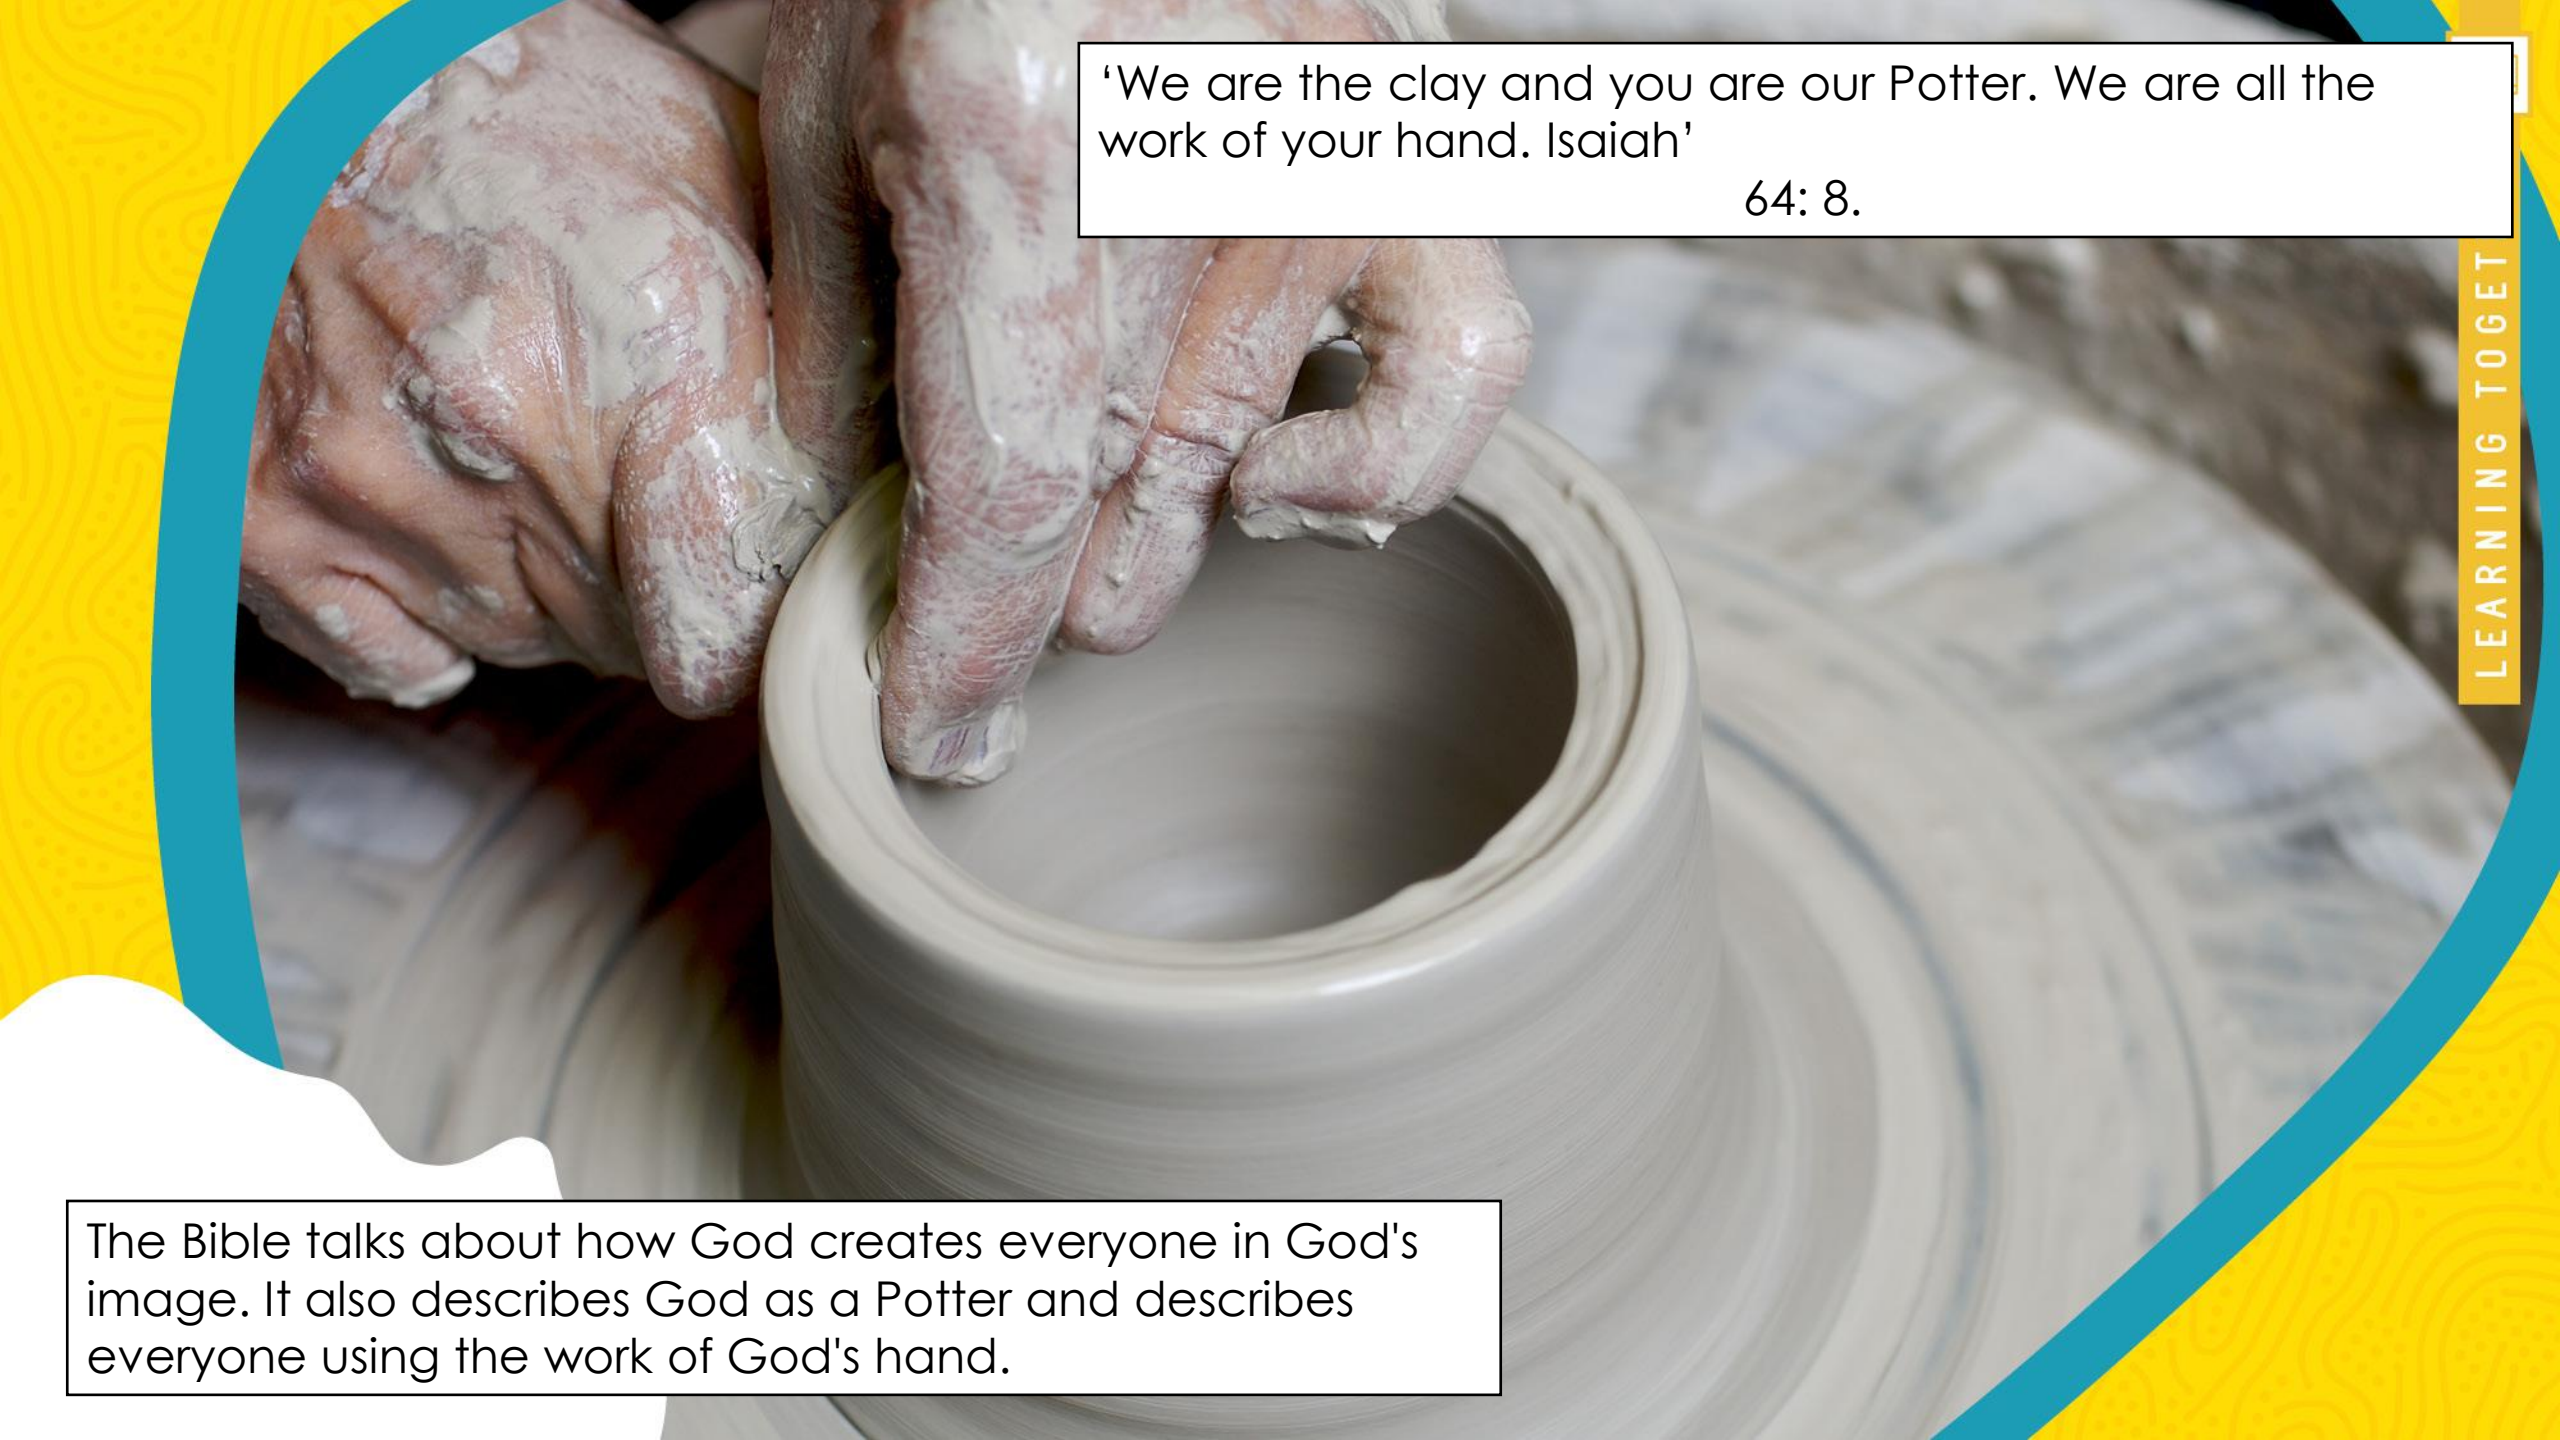

LEARNING TOGETHER

**Kintsugi means 'Golden Joinery'**

LEARNING TOGETHER

'We are the clay and you are our Potter. We are all the work of your hand. Isaiah'

64: 8.

The Bible talks about how God creates everyone in God's image. It also describes God as a Potter and describes everyone using the work of God's hand.

- Sometimes pots can crack or break.
- Sometimes things happen that can make us feel cracked or changed.
- Christians believe whatever happens to them in life, God is with them.
- God can fill and mend gaps and put everyone back together just like the Golden Glue in the story.
- Spirituality is like that golden glue.

# THE GOLDEN GLUE

Spirituality can be seen as the gold with which we can fill the gaps that may be caused by the 'ows' and 'wows' and even 'nows' of life.

# PAUSE FOR THOUGHT

**Can you think of any moments when something has happened that feels a bit like a crack?**

**Have you ever thought of asking God to help you feel whole again?**

# THE WOW, OWS AND NOWS

LEARNING TOGETHER

- How can you feel closer to God, nature or yourself in these moments?
- Can you allow God to be the Golden Glue in your life?
