MATHS IN THE WILD

Can you spot real life maths outside of school?

Take a picture and email to school@cts.odbst.org with your name and class.

Prizes for the most creative responses and for the class with the most entries!

Entries in by Number Day on the 7th February!

Headteacher: Mel Nugent, BEd (Hons) NPQH
Deputy Headteacher: Saeeda Wilson-Andoh

Dear parents and carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 7th February 2025.**

Everything the NSPCC does protects children today and prevents

about tomorrow. The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **25 seconds**

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it. We are having a day of maths activities and we will be taking part in **Dress up for Digits**. Children are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme. Some ideas are below. To help raise money for the NSPCC, we are asking for a suggested **donation of £1** and we'd love everyone in the school to take part in this special event.

It all adds up

We're really looking forward to all the fun of Number Day, and we really appreciate your support.

Best wishes,
Miss Christian
