Lost Property / Uniform

We have a large amount lost property; this will be left outside the school office until we break up for half term. Any items left after this time will be donated.

After School Clubs

After school clubs begin the week commencing 13 May and the final week of clubs is the week commencing 14 July.

**Join Mandy and Alison for
Coffee and Chat
Tuesday 3rd June
2.30-3.10pm**

This month we will be focusing on transitions and how to support your child with change.

There will be a short presentation relating to:

- Challenges children face when transitioning between schools/classes
- The emotional impact of these changes
 - Strategies for a smooth transition
 - Building resilience

Followed by an opportunity to ask questions

Book a place via the school office:

school@cts.odbst.org 01908 867356

It is not essential to book but helpful for us to have an idea of numbers.

Dear Parent/Carer,

Our school is taking part in Walk to School Week (19-23 May).

The nationwide event is organised by walking charity Living Streets and designed to help pupils experience first-hand the importance of walking to school. Children will be well on their way to reaching their recommended minimum 60 minutes of physical activity per day before even reaching the school gates! Not only will it set them up for a positive day in the classroom, but it will also help create healthy habits for life.

This year's challenge, The Great Space Walk, encourages children to travel actively to school every day of the week. Meeting various colourful intergalactic friends along the way, pupils will learn about the important reasons to walk or wheel and its benefits for individuals, communities and the planet! Each pupil will be challenged to travel sustainably (walk, wheel, scoot, cycle or Park and Stride) to school every day for one week using the wallchart and stickers to log their journeys. Each class will work collectively to make as many active journeys to school as possible across the week. Individual activity diaries, daily stickers and end of week pupil rewards will complement this activity, reinforcing the benefits and keeping children engaged.

What do I need to do as a parent/carer? We would ask, if possible, to make arrangements so that your child/children can travel actively to school on week commencing 19 May, helping our school reduce congestion and pollution around the school gates. In return, your child will earn special stickers and a reward trophy! Walking, wheeling, scooting and cycling all count! If you live far away from school and need to drive or take public transport, try parking the car or hopping off the bus/train ten minutes away and walking the rest of the journey.

Thank you in advance for your cooperation.
