

Hello everyone! 😊

Maths

The bag of sweets cost 45p

How many different ways can you find to pay for the sweets, using **only** silver coins?

Now find different ways to make 50p. You can use silver and copper coins for this.

English

Write a set of instructions for planting a seed or bulb. Remember to add in adverbs eg 1. First carefully fill the pot with soft, brown, compost.

Science

Label a plant. Cut out the labels and stick them in the correct places

Look out for tomorrow's work on the website 😊
