Dear Children and Families,

We wanted to let you know that we are thinking and praying for you all and missing the times when our whole school community can be together. Each Monday we're going to add a prayer or reflective activity on to the school website which you might like to use at home on your own or with a member of your family. We will be able to think of each other while we take part in these activities. We hope you find this helpful, let us know how you get on.

Here are two prayers that you might like to use. The first is written as a song with actions that you can join in with:

A blessing for each other at home and at school

May you find peace, may you find hope,
May you find joy this day.
May you find love,
May you find rest,
Here in this place together.

A prayer for our school community at CtS

God of love and hope,
you made the world and care for all creation,
but the world feels strange right now.
The news is full of stories about Coronavirus.
Some people are worried that they might get ill.
Others are anxious for their family and friends.
Be with them and help them to find peace.
We pray for the doctors and nurses and scientists,
and all who are working to discover the right medicines
to help those who are ill.
Thank you that even in these anxious times,
you are with us.
Help us to put our trust in you and keep us safe.
Amen.
