

Set 2 Green Words

In Set 2, children are introduced to 12 new 'special friends' (letter combinations that represent a single sound). We encourage you to practise reading these words at home with your child.

Begin by asking your child to identify the 'special friends', use *Fred Talk* to sound out the word, and then blend the sounds to read the word aloud.

As their confidence develops, encourage your child to read the words silently (*Fred in your head*) before saying them aloud fluently and with increasing speed.

The documents provided outline the sequence in which these sounds are taught, alongside the corresponding green words your child will learn.
