A Loving Place, Where we **CARE**, Learn and Grow Together

## The Golden Book

We are very proud of all our children at CtS, a special well done to those that received Golden Book certificates this week!

This Week's KS2 Winners	
 Catkin	Lyra
 Sycamore	Arthur
 Wheat	Jerrie
 Barley	Isla

## TT Rockstars

Year 3 – Charlotte  
Year 4 – Valentyna  
Year 5 - Bobbie  
Year 6 - Christopher

## This Week's KS1 Winners

 Daisy	Lianna
 Poppy	Fareedah
 Pumpkin	King
 Acorn	Yasmeen

This week the theme was:  
Reflection

The **CARE** Value Achieved was:  
Keen scientist (being curious)

## Attendance Bears

YR4 — Sycamore 98%  
YR1 — Pumpkin 98%  
Well done!!

## The House Cup

The team that have earned the most points this week is the **YELLOW** Team!  
WELL DONE **YELLOW** TEAM!

# School Noticeboard Newsletter

Keep Up to Date

April	May	June

# Pick Up & Play

**Not sure which instrument to choose?**

Come and explore real instruments with guidance from our expert teachers. Children can test out strings, brass, woodwind, and percussion in a fun, hands-on open afternoon!

**Saturday 25 April 2026**

**2-5pm**

**Shenley Brook End School**

[mkmusiccoop.com](http://mkmusiccoop.com)

**Free  
event**

# Nurture

## Woughton Community Council

### 99 Jonathans Coffee Hall

Tuesdays 13:15-3:30pm

28<sup>th</sup> April– 14<sup>th</sup> July

- Please note there are 8 sessions that you will need to attend  
28/04, 12/05, 19/05, 09/06, 16/06, 23/06, 30/06, 14/07

Children are rewarding, stimulating and fun, but looking after them can be stressful and challenging!

These 8 sessions fit together like a puzzle to help deal with the challenges so you can have a calmer, happier life.

The nurture programme uses these four building blocks of emotionally healthy relationships.

- Self-awareness
- Appropriate expectations
- Empathy
- Positive discipline

To book your space please email [nicola.skelton@milton-keynes.gov.uk](mailto:nicola.skelton@milton-keynes.gov.uk)

<b>Tuesday 28th April</b>	<b>Crystal Growing Trees</b>	Children will watch their tree grow sparkling crystals as the solution travels up the branches, creating beautiful frost-like patterns. A fun, hands-on activity that brings science and creativity together!
<b>Tuesday 5<sup>th</sup> May</b>	<b>Gooley Galaxy</b>	Dive into a swirling, gooey galaxy as colours mix and stretch to create a cosmic masterpiece! This hands-on activity lets children explore textures, movement, and simple science while having lots of messy fun.
<b>Tuesday 12<sup>th</sup> May</b>	<b>Dancing Drops</b>	Watch droplets come to life as they swirl, bounce, and “dance” across the surface! This fun experiment shows how liquids interact in surprising ways, creating colourful movement and a little bit of science magic.
<b>Tuesday 19<sup>th</sup> May</b>	<b>Slime Lab</b>	Get hands-on and create your own stretchy, squishy slime! Mix ingredients, experiment with textures, and explore the science behind how liquids transform into gooey fun.

We're pleased to share that, following the success of our enrichment clubs, we'll be continuing into the summer with some exciting new ideas!

We are excited to offer our Mini Scientist Club, where children can explore the wonders of science through hands-on experiments. Each week, they will discover something new—from creating slime and erupting volcanoes to growing their own crystals—encouraging curiosity, problem-solving, and a love of learning.

**How to join:** Simply book your child onto wraparound as usual, with your intended timeslot, and we'll take care of the rest! All children attending wraparound will have the opportunity to participate in the enrichment clubs. For those who prefer not to join, there will still be other toys and resources available for them to enjoy.
