Cool Milk

<https://coolmilk.com/>

<https://fairmilkfairstart.com/>

Did you know?

Children currently receive free school milk until their fifth birthday through the Government's school milk scheme. After this point, the entitlement ends. This means that within the same Reception class some children continue receiving milk while others do not, depending on when their birthday falls.

We're supporting the Fair Milk for a Fair Start campaign, which calls for a simple change so all children can receive free school milk until the end of their Reception year. Find out more or show your support:

<https://fairmilkfairstart.com/>

Excellent

★ Trustpilot

Tuesday 28th April	Crystal Growing Trees	Children will watch their tree grow sparkling crystals as the solution travels up the branches, creating beautiful frost-like patterns. A fun, hands-on activity that brings science and creativity together!
Tuesday 5th May	Gooley Galaxy	Dive into a swirling, gooey galaxy as colours mix and stretch to create a cosmic masterpiece! This hands-on activity lets children explore textures, movement, and simple science while having lots of messy fun.
Tuesday 12th May	Dancing Drops	Watch droplets come to life as they swirl, bounce, and “dance” across the surface! This fun experiment shows how liquids interact in surprising ways, creating colourful movement and a little bit of science magic.
Tuesday 19th May	Slime Lab	Get hands-on and create your own stretchy, squishy slime! Mix ingredients, experiment with textures, and explore the science behind how liquids transform into gooey fun.

We're pleased to share that, following the success of our enrichment clubs, we'll be continuing into the summer with some exciting new ideas!

We are excited to offer our Mini Scientist Club, where children can explore the wonders of science through hands-on experiments. Each week, they will discover something new—from creating slime and erupting volcanoes to growing their own crystals—encouraging curiosity, problem-solving, and a love of learning.

How to join: Simply book your child onto wraparound as usual, with your intended timeslot, and we'll take care of the rest! All children attending wraparound will have the opportunity to participate in the enrichment clubs. For those who prefer not to join, there will still be other toys and resources available for them to enjoy.
