English

We are changing our English learning for the next few weeks. We have had some feedback from families to say that they found the English work difficult to complete while at home. The learning you have done so far this week will be picked up when we get back to school so don't worry.

Today we are going to focus on your spelling. Using the sheet on the school website, we want you to correct the spelling mistakes. The first 8 sentences have got the mistakes circled for you. The last 8 need you to find the mistake then correct it. We have also included the answers so you can check your own work. Remember not to look at the answers until you have had a go yourself.

Week 1 – Lesson 4 – Counting in tenths

Watch the video and then answer the questions by clicking on the 'Get the Activity' tab to download the worksheet. Don't worry if you can't print it, just write the answers in your home learning book and draw the shapes out in there.

You can check your answers on the same page where the video is saved under 'Get the Answers'.

RE

If you are with a brother, sister or another member of your family, play a game of 'Simon Says.' Take it in turns to be the leader.

**How does it feel to be the leader?*

**How does it feel to follow the leader?*

In our RE topic this term we will be learning about how Jesus used authority.

Today we are thinking about authority.

Look at the pictures below.

Who has authority in our world, our country and our lives?

**Draw and label pictures of people who have authority in your life.*
