Dear Parents/Carers,

Welcome back to the new school year and to all our new children who started school this week and those that will be with us from Monday. It has been lovely to meet some of you on the gate in the mornings and I hope over the next few weeks that I will have the opportunity to introduce myself to most parents and carers.

Your children have enjoyed the first few days settling into their classes and getting to know their teachers. They have been learning more about their class values that will help support them in their learning as they grow throughout the year.

On Monday we start more formal lessons and you will receive a copy of the Curriculum News next Friday to help you support your child's learning at home. At the beginning of October there will then be an opportunity for you to meet the teacher and discuss how well your child has settled into their new class.

I am so happy to be the Executive Headteacher here at CtS, it is a real privilege to join the school team but especially to be working with such lovely children. We have a challenging but exciting journey ahead of us as we travel to good and beyond.

Kind Regards

Mrs Lorraine Quirk

Executive Headteacher
