

Thursday 4th June 2020

Dear Parents/Carers,

It has been an absolute delight to have children returning to school this week in Foundation, Year 1 and Year 6. We look forward to having more children in during the coming weeks. Each week we have been asking our children both in school and at home to work on a weekly project. The project allows your child and any siblings to work on the same topic, which can be easily adapted to their level. The project can be created in a range of different ways such as a Powerpoint presentation, booklet or poster. For the next six weeks we will be setting a weekly project based on **song titles**.

The whole school project for next week, commencing 8th June is '**chocolate**'. I am sure this title will get the children's creative juices flowing. They can be as creative as they like and have some fun along the way!

Please remember that the school website has useful learning links, daily assemblies, story time sessions and video messages from staff, if you have not already accessed these. We do hope you will find these useful.

Yours sincerely,

Kaajal Mushtaq

Headteacher Mrs Lorraine Quirk

Assistant Headteacher Kaajal Mushtaq
