

Friday 12.06.20

Year 4

English

Today's English is looking at the suffix 'ly'. This is added to words to describe a verb, making them adverbs. Have a go at the activity adding 'ly' to the end of words and then use them to write a paragraph.

If you want to, you can have a go at the suffix quiz on BBC Bitesize:

<https://www.bbc.co.uk/bitesize/topics/z8mxrwx/articles/zqghtyc>

Maths

We are continuing to use the White Rose videos and resources to support your learning this week. The Friday challenge will continue to cover a range of areas of maths. Download it from the [White Rose website](#). As with the previous challenges, there are certain questions that are most suited to year 4, but you can always have a go at the others if you want to test yourself.

Art

Continuing our work about JMW Turner, look through the powerpoint to learn more about this famous artist. Turner was known as 'The Painter of Light' and used watercolours to create light and dark tones. Once you have looked at the powerpoint, have a look at the colour wheel and see how primary colours make secondary colours and how these create tertiary colours. Use coloured pencils to complete the colour wheel yourself.
